Dāsaprakāsh

ORIGINALLY SOUTH

Rooted in tradition and refined over decades, Dasaprakash is more than just a restaurant — it is a legacy of purity, flavour, and timeless hospitality. Established in the early 20th century, Dasaprakash began its journey in South India, pioneering authentic vegetarian cuisine with an emphasis on heritage and quality.

From serving dignitaries and travellers to becoming a cherished name across generations, Dasaprakash has continued to uphold its values of satvik food, impeccable service, and culinary innovation. Today, it remains a symbol of trust, taste, and tradition — bringing the soul of Indian vegetarian cuisine to every plate.

Kai Suvai

"Kai Suvai" (கை சுவை) is a Tamil phrase that translates to "hand taste" or "the taste of one's hand." It refers to the unique flavour that comes from a person's way of cooking, often implying the cook's skill and personal touch to enhance the dish's taste.

At Kai Suvai, we celebrate the rich culinary heritage of South India with a focus on authenticity and craftsmanship. Our handmade pickles, sweets, and savouries are crafted with care, capturing the true essence of South Indian flavours. From the bustling kitchens of Chennai to the vibrant streets of Delhi NCR, we bring you a taste of tradition with every bite.
